REACH Confirmation of Conformity

Dear Sir or Madam,

Suppliers of products are obliged, pursuant to Art. 33 (1) of Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 ('REACH'), to inform their recipients if the products supplied by them contain Substances of Very High Concern ('SVHC'), as included in the so-called 'Candidate List' maintained by the European Chemical Agency (ECHA), in a concentration greater than 0.1 % weight by weight (w/w).

Gira Giersiepen GmbH & Co. KG is a supplier of products in this sense. To our current knowledge, based on the information provided to us by our suppliers, the products supplied by Gira and their packaging does contain the following of the substances listed in the Candidate List as of 16.01.2020 in a concentration greater than 0.1% weight by weight (w/w).

See the product list under <http://link.gira.de/reach>

Should the composition of our products change, or additions be made to the Candidate List, with the result that we are subsequently under one more obligation to provide information pursuant to Art. 33 (1) REACH, we will inform you of this without undue delay.

Kind Regards

Christian Feltgen
Managing Director
